Executive Search & Succession Planning

EXECUTIVE SEARCH

Advancing Mission Through Proven Leadership Placement

At Acela Solutions, we don't just fill roles—we secure leaders who advance your mission with clarity, competence, and commitment. Our executive search process is discerning and data-informed, designed to surface the right fit for your school, diocese, or ministry. We offer:

- A deeply consultative, retained search model
- Values-based candidate vetting and culture alignment
- Leadership assessments that inform long-term fit
- Guidance for boards and search committees throughout the process

Let's move your mission forward—together.

SUCCESSION PLANNING

Preparing Today to Sustain Tomorrow's Mission

Effective leadership transitions don't happen by chance—they're the result of thoughtful, strategic planning. Acela Solutions partners with Catholic institutions to ensure readiness when change comes, fostering internal alignment and external confidence. We help you:

- Identify key leadership roles critical to long-term vitality
- Evaluate and develop internal leadership pipelines
- Create customized succession frameworks rooted in stewardship
- Communicate transitions to internal and external stakeholders

Position your organization for a future that honors its past and builds toward purpose.

Rooted in mission. Focused on leadership. Driven by fit and foresight.
